

WHAT **NOT** TO WEAR

TO WORK THIS SUMMER

**BUILDING LEADERS FOR
A DYNAMIC FUTURE**

Attire

Dress Your Part

As the City of Tallahassee is comprised of several departments with many different work environments it is unfitting to ask all of our employees to wear a dress shirt, tie, slacks, high heels, blouses etc.

However, professionalism is required at all times. To be properly identified as a professional you are required to

“Dress Your Part”.

Trends

Ripped/Holey/Baggy Jeans

If your office allows you to wear jeans to work, don't abuse the privilege by wearing a pair that look like they've been through a shredder.

Wacky Clothing

Remember, school is out and now you're going to work. So there isn't a need for you to set a trend.

Footwear

Flip-flops/Crocs

This footwear is best suited for the beach. Unless you're employed as a lifeguard, save these for the weekend.

Headwear

Baseball Caps

This one is for the boys.
Feel free to don a
baseball cap to and from
work, but please remove
once you step foot into
the office.

KEY POINTS:

- Dress Your Part
- Enjoy the Program!

REMINDER:

Wear Your Tallahassee Future Leaders shirts to work everyday!
